PRESS RELEASE

AOPSE ENDORSES MR. JOHN BOADU TO LEAD THE PARTY AS GENERAL SECRETARY

The above-named Association is delighted to endorse Mr. John Boadu as the right and only experienced aspirant to lead the Party to break the eight. We therefore declare our unflinching support to his campaign and also call on all Party faithfuls to throw their support behind him.

To us, Mr. John Boadu is considered as a “Pathfinder”. The man who has been able to restore Peace and Victory for our dear Party. We all will recall tension and the turmoil that our Party went through prior to **2016 elections**. It took the indefatigable John Boadu and his team to restore Peace and relentlessly prepared the party within the shortest possible time for elections and massively won the general elections for the Party.

We wish to state categorically that, it took the hardwork of John Boadu to pull down the dirty fabric that covered the party at that time and made the Party attractive to every Ghanaian. His contributions and experiences over the years at IPAC, put him ahead of any other aspirants seeking to contest him. A lot of rhetorical questions are raised when we hear others want to contest him.

Why will anybody think of changing the Captain who has well organised his team and won medals; at this time the team is again preparing for another competitive match?

Where were those aspirants when the party was going through the tussels and turmoil?
What experiences are they bringing on board that surpasses that of John Boadu who has been the Youth Organiser, Organiser and General Secretary?

Truth, honesty and objectivity have now been thrown to the dogs and we are now chasing shadows. It is sad that now because of propaganda, deceit and fanaticism, some people have decided to overlook the builder who laid down victory plan for our dear party and chasing those who do not know where and how to pull and push the weft and warp yarns to form a fabric that ushers party to elections and for that matter victory.

It is glaring, obvious and apparent that the very core people who tore the Party into pieces in 2012 are the very people financing and sponsoring those aspirants to contest with Mr. John Boadu. We wish to inform the Public that we shall release all those facts and evidences when the time is right to unravel their evil agenda that seeks to destroy our Party.

We the Grassroot understand and appreciate the sacrifices Mr. John Boadu has paid to the Party. He is the only aspirant who never neglected the Party to apply for Position in Government whiles all other aspirants seeking to contest him were appointed in Government. Whiles others were enjoying their CEO's and Deputy CEO's, John Boadu aka Adwenkese³ was relentlessly moving around the nation and beyond for Party Organisation and Set-up.

Who else deserves the Position of General Secretary other than this noble and selfless man? We again bring to the notice of our dear delagates that, the battle ahead of us is between an exeperienced Mr. Asiedu Nketiah of the opposition Party and the experienced John Boadu of our Party. If the NDC who have been in opposition for some years now is still and not ready to change their Commander who led them to a defeat, why must we change our General who has been winning battles for us?

AOPSE shall continue to support Mr. John Boadu to lead our dear Party to break the Eight(8)
